Au Pair invitation letter

Dear

We hereby invite you as an au pair to our family living in.....(country).

Your duties would be to help us concerning light housework and also in childcare. You would also have the opportunity to improve your language skills and to get to know our culture and lifestyle.

The working hours a week will be according to the maximum number of working hours as determined by law. You will have at least one day per week free. During your stay with us you will have your own lockable room. You will receive the pocket money determined by law every month. You will have time to attend a language course.

We hereby guaranty that we would be responsible for your costs of living whilst you are working for us as an au pair. We will also take care of the health insurance for you.

Kind Regards
